

EAST SIDE ELEMENTARY FOUNDATION

The ESE Foundation is pulling for your kids! **Thank you, if you've already shown your support!**

If you haven't had a chance to send in your donation, please take a moment to do it now. Your participation means so much to the kids no matter what amount you send.

A small note to offer some perspective... other area schools like Mt. Bethel, Timber Ridge and Sope Creek ask for \$100 or more per child and routinely get 80% or more participation.

They are able to offer foreign language specials, a greater variety of after school programs and clubs, and the latest technology.

**Total

34%

Will your kids be left behind when they reach middle school and are blended with the kids from these other schools?

Look around at all of the wonderful things your Foundation has done for ESE with only 14% participation! Imagine what East Side would be like if we had 75-90% participation! Let's work together to make a real difference this year!
