Great news for our school and, especially, our new Science Lab!! The campaign raised **\$48,500**, which is enough money for us to continue sponsoring the Science Lab!!

We had **53%** of all families at East Side participate (compared to 14% last year).

On behalf of the Foundation Board Members, thank you for your generous support of your kids at East Side.

THANK YOU!

Don't Forget!

There is an additional \$4,000 in potential corporate match \$\$ still pending.

If you haven't submitted your paperwork, place it in the Foundation Box today!

The numbers are in - and it's GOOD!

Special thanks to John Taylor, Susan Leingang, Laura Bango, Susan Fanning, Craig Costantino, and all of the Foundation volunteers for their commitment and efforts. None of these additions (the lab, after-school enrichment programs, technology) would have been possible without your hard work!
