BrainPOP subscription renewed for use at school and at home.

BrainPOP creates animated, curriculum-based content that supports educators and engages students. Ideal for both group and one-on-one settings, BrainPOP is used in numerous ways, from introducing a new lesson or topic to illustrating complex subject matter to reviewing before a test. Content is aligned to state standards. BrainPop, Jr. is fantastic for K - 1st grade! Our subscription includes BrainPop, BrainPop, Jr., and BrainPop Espanol.

Substitute costs for teacher training sessions, including a 3rd grade reading seminar, CPR/AED training, and a K-phonics workshop.

Want to volunteer in the Science Lab?

A big thank you to all that have responded to our request for **Science Lab volunteers**. Mrs. Ranger very much appreciates all of the support East Side families are providing! There are still limited slots open on Wednesdays until the end of the year. If you'd like to help out, please contact Marisa Carter at marisanrob@bellsouth.net.

Science Lab costs pre-funded for the 2009-2010 school year.

20 new laptop computers for use by 4th grade and Target students

Education City software license for use in Computer Lab
EducationCity.com is the most engaging learning and assessment resource for children and includes online tracking and easy lesson planning.
