

New Offering for Fall ASEP at East Side

Digital Photography, Grades 2-5

Learn some fun and crazy techniques!

Congratulations to LearnAfterSchool student Katelyn, Age 6. Georgia State Photography Finalist for 2009 Reflections! Visit our website to see her photo.

Instruction in various critical areas including:

- *How to use the important features on the digital camera
- *Composition, Correct Use of Flash and Natural Lighting, Subject Matter Selection, Holding the Subject's Attention, Proper Distance and Freestyle Photography
- * How to edit and create fun images using free, effective photo editing programs
- .How to email images to family or upload for printing.
- * We prefer students bring their own cameras to familiarize themselves with them. Cameras will be available for those students who do not have one.
